HOMELESSNESS PREVENTION AND DIVERSION PROGRAM

WHAT'S THE PLAN?

The City of El Monte along with the cities of Baldwin Park and South El Monte are founding members of the Mid-Valley Collaborative on Homelessness (MVCH) and through a partnership with the San Gabriel Valley Council of Governments (SGVCOG) and the Los Angeles County Homeless Initiative, are working together to more effectively combat homelessness locally. The plan is to preserve housing, offer emergency and interim housing, assist residents with their utilities and other basic needs. We are thankful to all of our partners for providing the leadership, financial assistance and services so that we may better serve our city's individuals and families at risk of homelessness.
